Capture the moment

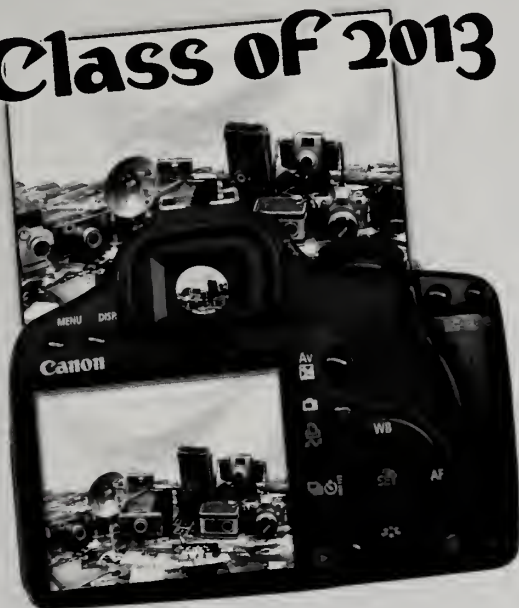

2013 MHS TIMARON

They say a picture is worth a thousand words, and if true a yearbook can tell quite a story. Throughout our time at Middleborough High we have made memories that will last a lifetime. Hopefully this year's TIMARON was able to capture the moment!

Class of 2013

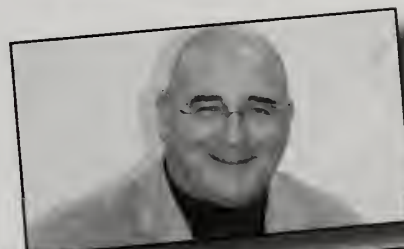

Dedication

The staff of the 2013 TIMARON would like to dedicate this year's yearbook to Mr. Jim Braga, whose life was cut tragically short on March 9, 2013. Although he only spent a year with our class, his larger-than-life personality has left an impact on everyone here at Middleborough High School, both students and staff. Mr. Braga, you will be dearly missed!

From Mr. Braga's Sons

"Dad grew up in Middleboro, born and raised. He and his siblings excelled in sports and the family has left a legacy of athletic excellence in a Sachems uniform. He raised all of his sons to be proud wearing #20 and to be committed community leaders. In his long tenure teaching, substituting, and coaching at Middleborough High he was fortunate to have had both his oldest son, Keith, and his grandson, Zachary, on the soccer field. His fondest memories were helping his students and athletes become better people. He believed in paying it forward and love, touching the lives of the kids that he shared a special Sachem bond with."

Faculty and Staff

A note from the Principal...

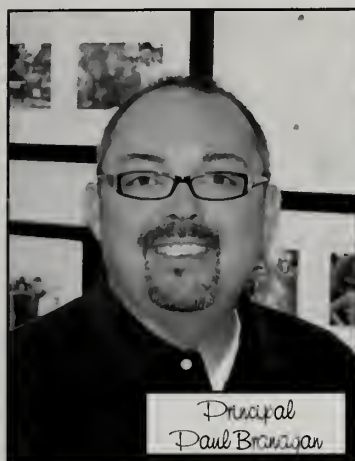

Congratulations to the Class of 2013! I am so honored to have had the opportunity to serve as your principal for your senior year. I hope I have served you well. I want you to know how much this class means to me. You have been the charge to allow so many to call our school home. This class will always have a very special place in my heart. I wish each of you the very best as you begin the next chapter of your lives. This next step is so very exciting. Please take the step and always dream big. Sarah Ban Breathnach once said, "The world needs dreamers and the world needs doers. But above all, the world needs dreamers who do." This quote truly describes the energy, compassion and Sachem Pride that each of you had for our school and I am so excited to watch you grow as you enter this next chapter. Please look back at your time at MHS and feel proud of what you have accomplished. Finally, always remember...you have a home in Middleborough and I will always be there for you holding the door open. Best wishes for an incredible future! Change the world!

A note from the Superintendent...

Congratulations to the Class of 2013! You are leaving the life of a public school student and venturing forward to the next phase of your life. Your high school diploma affords you the privilege of further education, work, volunteer opportunities or military paths. Choose wisely, considering all factors, and seek a path to your sense of fulfillment. The poet E.E.Cummings wrote, "It takes courage to grow up and become who you really are." Best wishes on your journey. "I hope your dreams take you to the corners of your smiles, to the highest of your hopes, to the windows of your opportunities, and to the most special places your heart has ever known" (author unknown). It has been a privilege to be your Superintendent during this my first year in Middleborough.

One of the most passionate and highly joined clubs at MHS is Speech and Theatre Workshop, known to most as STW. This theatre program was founded in 1978 for the purpose of giving those students who wish to learn acting, directing, and lighting/sound. In addition, there are fun Coffee Houses that take place throughout the year, and there are four shows that students can participate in: Fall Show, the METG Festival, Senior Showcase, and That's Entertainment! For the the METG Festival show, Train of Thought, the students competed and moved on to Semi Finals, a feat that has not been accomplished in over four years!

These students are involved in every step of creating the yearbook and utilize advanced editing software to accomplish the task before them. Advisors Mr. Healey and Mr. Roberts help create the collection of memories for students to look back on for years to come.

Youth in Government

The YMCA Youth and Government gives students the opportunity to experience how the state government functions by allowing them to discuss state issues with students from other towns as well as elected state officials and administrators. Every year the delegates go to the Massachusetts State House for their conference, led by students elected to office by their fellow delegates. The students are able to debate mock bills that are then passed through mock senate and house. This years members are Brittany Parziale, Josh McCray, Megan Berry, Chris Kenney, Cauleen Bartlett, Jared Ranahan, Gabi Donohoe and Alaine Kefalis.

About this picture:

The Athletic Department at MHS is extremely active, successful, and growing. Through three full seasons of sports the students are able to work their hardest and become true athletes. boys' tennis

2012 was a season of transition for the boys tennis team. After losing several key seniors from the 2011 season, much of the 2012 team lacked valuable match experience at the varsity level. What they lacked in experience they made up with heart, hustle, and determination. Nevin Braganca, Joe Beberman, Tyler Drevich, TJ O'Toole, Sam Yost, Tyler Kaplinger, and Cody Pittsley all contributed greatly to the 2012 season. The 2013 season looks bright. With all players except 2012 captain Joe Beberman returning to action, the MHS boys tennis team looks to improve on their 4-15 record and qualify for the state tournament.

girls' tennis

This was another successful season for MHS Girls' Tennis. Though we missed tournament play for the first time in four years, the girls were still able to accomplish amazing things on the court and off during a very exciting season. Hannah Bialic, again, led the way for the Sachems as captain and #1 singles. Cassie Leech played very well all season long in the #2 spot while Jr. Lydia D'Amato controlled the #3 singles position. Laura Varjabedian and Jackie Burke made great strides and progressively improved in the #1 doubles slot while a steady rotation of Maggie Lynch, Molly Kirkland and Katie Couto rounded out the varsity team in #2 doubles play. Season highlights were: our first ever win over Div 1 Braintree, the emergence of Jackie Burke, Maggie Lynch and Katie Couto as major varsity contributors and a great complete team win over Wareham in our first ever 13 match contest which we won 12-1.

trip to italy 2013

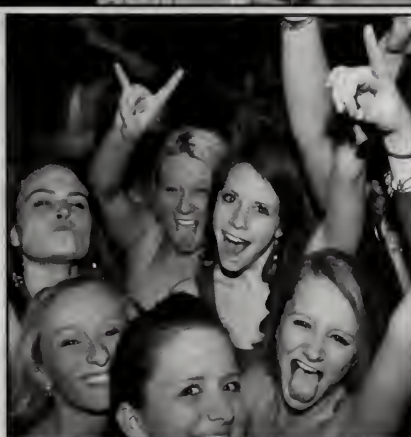

This February, MHS went to Italy! The twenty-five students landed in Milan and worked their way south, visiting Venice, Florence, Assisi, Rome, the Vatican and Pompei along the way. They saw landmarks such as the Basilica of Saint Francis, the Sistine Chapel, Saint Peter's Basilica, the Colosseum, the Roman Forum, the Trevi Fountain, the Spanish Steps, and the Pope himself! Filled with pizza, pasta, and gelato, this was definitely a trip to remember!

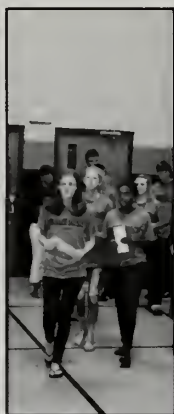

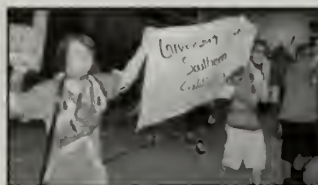

Winter ball

Welcome back dance

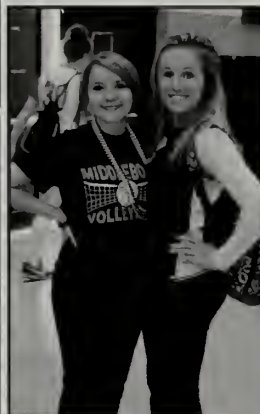

The annual Welcome Back Dance, put on by the Student Council, was an absolute blast. Everyone enjoyed kicking off the school year with this luau-themed dance. It was a great way to start the 2012-2013 school year!

Spirit Week

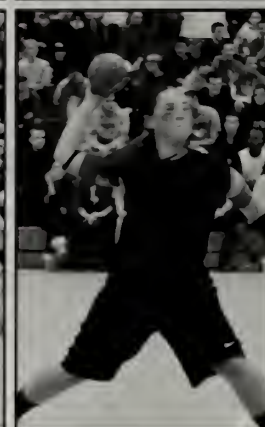

Spirit Week at MHS is a highly anticipated and fun time for all! Students and staff compete for the best and decked-out outfits for King and Queen, and winning teachers. King and Queen this year were Jared Ranahan and Steph Friece, the winning teachers were Ms. Harel and Mr. Kinney

dodgeball game

The Class of 2013 put on a great student-teacher dodgeball game for the second year in a row. Each class showed great participation and the teachers were able to hold their own on the court! Congratulations to Mr. Roensch and his team who took the trophy for the second consecutive year with their team, the Sachem Snipers!

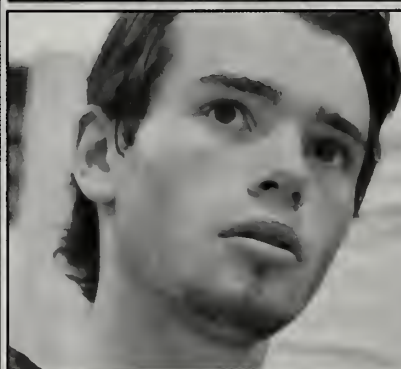

Read Across America

On March 8th, The Sachems visited the Early Childhood Learning Center where they read for the children in honor of Dr. Seuss day! The kids enjoyed listening to the many stories told by the different grades. Senior Sarah Gaouette said, "It was a pleasure reading to these children, they really enjoyed the stories and were fully engaged". Middleborough High School can't wait to be involved in this event next year, where even more memories will be made!

the Class of 2014: Stay Strong

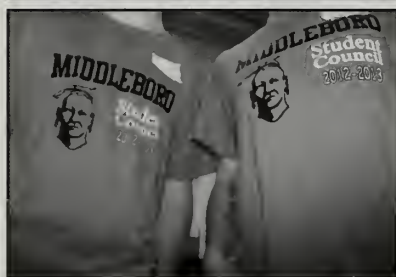

Freshman-Senior buddy Night

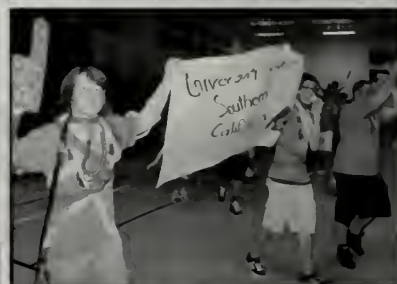

The freshman class of 2016 was invited to the MHS gym on the night before their first day of school to meet the senior class and tour their new home. The freshmen were nervous for what the night had in store but as they met their senior buddies and did a few icebreakers, they began to really have fun. After a detailed tour of the school and an activity fair, the freshmen and seniors joined together for a pizza party to kick off the school year and welcome the freshman class.

lock-in twenty twelve

The first big Student Council event of the year is the annual Lock-In. This year, the theme of the night was Leadership University. Colleges from all over the country were represented, from Harvard to Clemson University. Everyone was challenged to stay up for 12 hours and with all of the activities crammed into the night, it's hard not to stay awake! Each council room worked together, using important leadership skills, to create skits that they performed for everyone.

The infamous Dutch Auction tested the patience and leadership skills of each of the classes. After the dance, Mr. Branagan led a tranquility that closed the night.

Pep Rallies

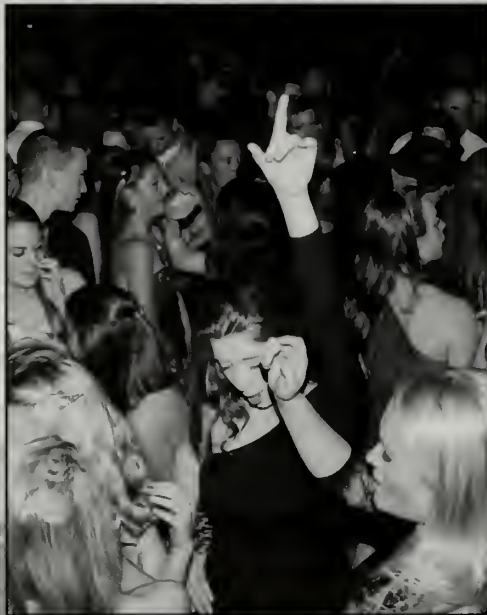

Pep Rallies are a great way for Sachems to show their true spirit! This year we started school with an amazing kick-off rally to get everyone excited for another great year at MHS. All of the classes wore their designated shirts, ranging from green to red to blue to orange. To kick off Thanksgiving break, the Sachems held an awesome Thanksgiving Pep Rally complete with games, performances and celebrations of all of the fall athletes.

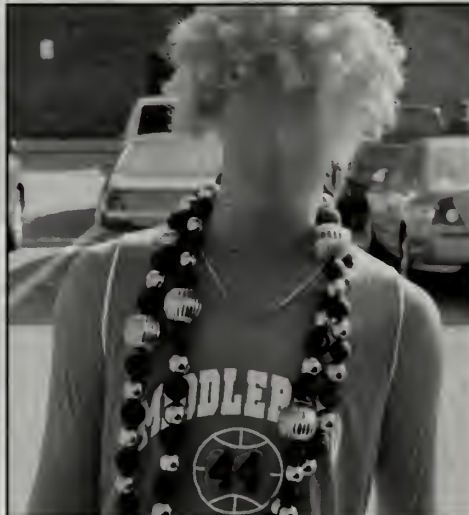

The Sachem football players were celebrated as well and went on to win their Thanksgiving Game!

homecoming Week 2012

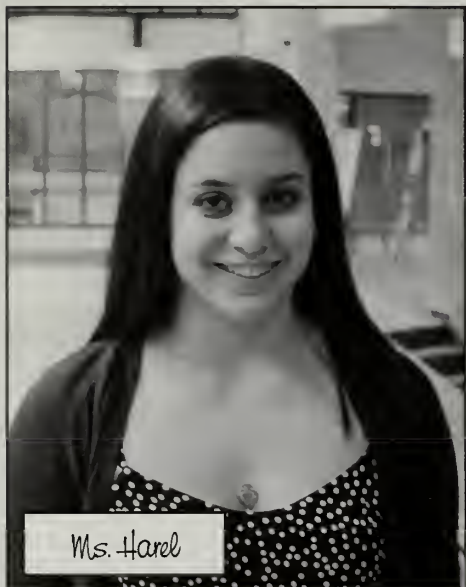

Every year, MHS participates in the annual Homecoming week events. This year, the Sachem football team once again beat the Carver Crusaders, and led the team to victory. Spirit week was a fun event for the entire school, as well as the Homecoming parade and dance. The Seniors won for float decorating for their creative slogan "Sachem Smash". Homecoming King and Queen were Jared Ranahan and Lindsay Pickard. Another successful Homecoming week for MHS full of spirit and pride. Go Sachems!

Senior Memories

Senior Advisors

Ms. Harel

To the class of 2013,

I know I have only known you for two years, but I have to say you have made my first two years teaching a wonderful experience. I remember my first day at MHS where I walked into a classroom and 36 of you were staring back at me. After that first day I wasn't sure how I would ever make it through, but it is because of your personalities and your kindness that helped me become the teacher I am now. You have grown so much in the two years that I have known you, creating bonds with classmates, and teachers, and becoming role models for the underclassmen. I will miss your excitement, jokes, and our daily conversations, but trust me I could never forget any of them or you.

Your class is determined to be the best you can be by pushing yourselves to the limit every day. You strive to be your best, all while keeping a good attitude and enjoyment in all situations. I wish you nothing but the best in the years to come. I know that you will all do amazing things in the future.

~Ms. Harel

To all you wonderful 2013er's you:

I have been your class advisor since you were wee little freshman. Your class has done some awesome things, and you have grown to become exemplary role models, setting the bar high for everyone behind you. It has been a privilege to guide you through the past four years and an honor to watch you grow to be the young adults you have become. I will never forget the car shows, dodge ball games, bake sales, and other fund raisers we did together and I will especially never forget the Mystery ride, rallies, Florida, Mr. MHS, lanyards, Senior Week and Graduation!

I want to thank all my officers that served the class. You guys were amazing and very dedicated. I want to thank Sarah Maddigan and Tim Trocchio for leading the class for their respective terms and especially Tim for figuring out how to keep me on task. I would like to thank Ms. Bettencourt (now Mrs. Boyer) and Ms. Harel for co-advising with me. I couldn't have made it through the past two years without the help! Other people who deserve my thanks are Mr. Branagan, Mrs. Holden, Mrs. Holmgren, Mrs. Bettencourt and many people who I am not naming. I would have been totally lost without them.

At the end of all this, I wish you all the best possible. I know you will all do great things! I feel that I should end this farewell letter with some advice. The thing about advice is that to give solid advice you have to have followed your own! So, here is a bit of advice that I was given that I adhere to. Try new things. Always put yourself out of you comfort zone. You will be amazed at what you find outside, that you may never have noticed inside that zone. So in the end, good luck, good fortune, and good everything!

~Mr. Healey

Senior Mystery Ride

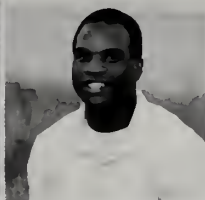

In November, the Class of 2013 traveled to Patriot Place for their Senior Mystery Ride. Before enjoying dinner at Red Robin, the seniors got a VIP tour of Gillette Stadium, where they even got to step on the field!

Later on it was Junior vs Senior girls on the gridiron! A lot of fun was had at the annual Powder Puff football game and Bonfire!

In May 2012, the juniors spent a magical night in the "Garden of Lights" for prom. Josh Dyer and Sarah Maddigan were crowned Junior Prom King and Queen!

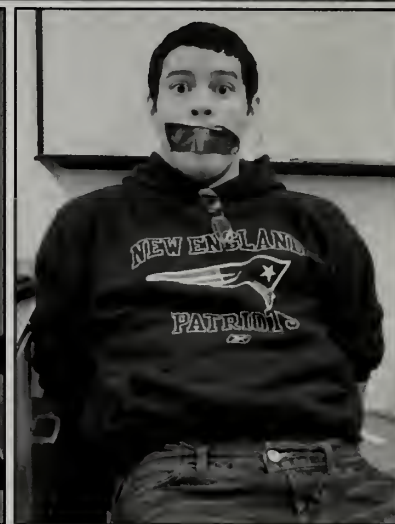

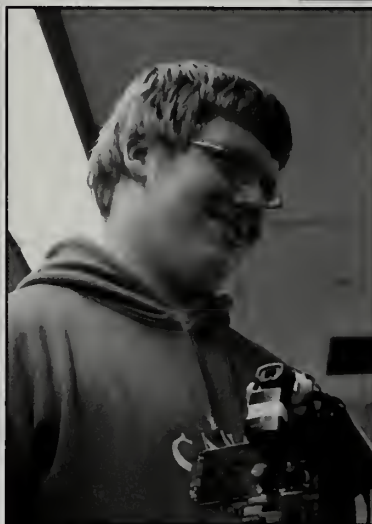

Bridgette Dargelis, Traci Perry, Erika DeMolles, and Molly Kirkland show off their dresses. Nathan Phillips and Jake Crawford promenade together. Matt Woodward and his date share a dance. The crowd goes wild!

Adam Degrazia shows creativity with his formal wear. Pat Anderson rocks his snazzy suspenders. Mrs. Machnik looks fabulous as she busts a move. Kate Bonino and Kyle Holmberg walk arm in arm for the promenade. Everyone enjoys the DJ's music!

The Class of 2013

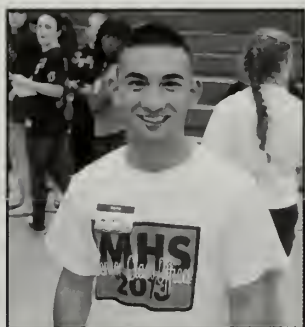

2013 Class Council

The 2013 class officers has put a lot of dedication and preparation in making sure senior year will be one no one would forget. From the senior mystery ride at Gillete Stadium to Prom at Indian Pond, the class officers have been hard at work planning a great senior year! All of this would not be possible if it wasn't for the all of the seniors support at our many class fundraisers. All the car shows and dodgeball games the class of 2013 started are ones that Middleboro High School will never forget!

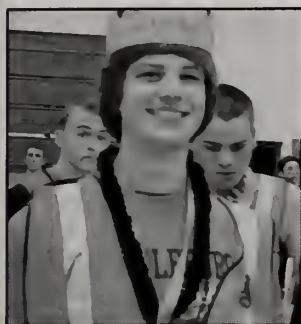

Timothy Trocchio
President

First of all, I would like to thank you for the honor and privilege of allowing me to serve as a class officer all four years of high school. There is no other class I would have worked harder for, or dedicated more of my time for, all these years. It's hard to believe that we achieved the goal we set for ourselves freshman year. Our goal was to exceed the average class. Our goal was to graduate from Middleboro High School. Finally, our goal was to never settle for anything less than extraordinary. There is no other class as tight knit as ours, there is no other class that has made more money, and there is no other class that has done more for our school and our community throughout our four years of high school. The experiences we had were amazing: from our first assembly together at the Nichols Middle School as "The Class of 2013" to our last moments together at graduation, we made the most of our high school experience. This next chapter in our lives will be amazing. There is not a doubt in my mind that if each of you put in the hard work and dedication, success and happiness will follow. Good luck with all your future endeavors. Never settle for anything less than your best, Class of 2013. You will all do amazing things in the next chapter of life. We are no longer the leaders of tomorrow. Now, we are the leaders of today.

Bridgette Dargelis
Vice President

Class of 2013, it's been a pleasure serving as your vice president. I'm so grateful to have been able to be a part in making this a year we will never forget. We've accomplished so much and I couldn't have asked for a better class to spend the past 12 years with. I wish you all the best in everything you do and I can honestly say I'm so proud to be a part of the class of 2013.

Jared Ranahan
Member at Large

As our senior year and our High School experience as a whole comes to a close we must reflect on the experiences that have brought our class together over all these years. For twelve years, we have been together, a group of strangers slowly brought together into a unified whole. For twelve years we have supported each other and we have grown -- physically, mentally, and emotionally together. The friendship and unity we share will forever affect each and every one of us. Whether you dedicate your time to Student Council, STW, sports, music, or other activities, you will always be a member of the Class of 2013. It has been an honor to serve as your Member-At-Large as we begin a new chapter of our lives.

Class of 2013, we finally made it! Twelve years is such a long time but it feels like the time has flown by. From our beginnings in elementary school to our final days in high school (and the awkward middle school stage that we don't like to talk about in between), we've developed not only as individuals but as a whole. Take everything you have learned and utilize it. Knowledge is power, and after twelve years the Class of 2013 is a powerhouse. They say high school years are the best years of your life, but don't let that stop you from trying to make your future amazing. The best is yet to come. This is only the beginning!

Kim Corey
Secretary

Class of 2013, it is amazing to think that we have finally made it! All of the teachers we have had, friendships we've made and memories we have shared over the last twelve years are ones we'll never forget. Although many of us will part, some of us going across the country and others staying close by, we will always be connected by this school that we have called home for the past four years. It has been my pleasure to serve as your Senior Class Treasurer, and as we all continue on our life's journey, just remember that we will always be the Class of 2013, and we will always be sachems!

Cauleen Bartlett
Treasurer

The past three years of being a class officer has been an experience I will never forget. Within these years our class has been through so much together from brining the car show phenomenon to MHS and beginning the dodge ball games to putting together an unbelievable Junior Prom and our crazy times of homecoming activity preparations. But what I have enjoyed most while watching our class grow up here in these years is that we don't always agree, we don't always get along, but we do come together when there is a task to be done. I want to thank you guys for allowing me this opportunity to help lead your class and I also want to ask you all to do one thing. Think back on all the little moments and not just of senior year but of your entire journey at MHS and never forget them. I wish you all luck and success in where your future leads you and remember this is not a goodbye but a farewell for now.

Brittany Parziale

teacher interviews...

The yearbook staff asked some of our teachers questions about the Class of 2013. Here's what they had to say...

Mrs. Bateman

What will you miss most about the class of 2013?

I will miss their sense of humor, and their sass. 2013's quick wit always offered me many an opportunity to laugh. 2013 always asked the best questions, too.

Any advice for the future?

Be true to yourselves. Be happy. Be brave. Do something that you've never done before: That way you can say you've done it, and learned from it.

What is your final message to the Class of 2013?

Thank you from the bottom of my heart-you've made me a better teacher, and person, by allowing me to have been a part of your time here at MHS.

Love, Mrs. Bateman

Ms. Duggan

What will you miss most about the Class of 2013?

I will miss their positive energy and enthusiasm for learning. My favorite moments with the members of 2013 have been insightful, compelling and humorous conversations about theatre, social norms and world issues. I have been consistently impressed with their creativity on and off the stage. I am looking forward to watching them tackle and conquer the world as they blossom into responsible and motivated young adults.

Any advice for the future?

Travel. Travel. Travel. The best education and gift that you can give yourself is to experience other cultures by exploring, living and working in other countries. Expand your horizons, live independently, and change the world for the better!!

What is your final message for the class of 2013?

Be the best "you" that you can be! Never settle for mediocrity!

Strive for exemplary!

Break legs!!

Ms. Duggan

Mr. Burke

What will you miss most about class of 2013?

The Class of 2013 was an incredible group of students. I loved getting to know individual students through the classroom, soccer, student council, and the Italy trip. It has been a lot of fun to work with this class. I will truly miss the relationships I have made with the students over the past 4 years.

Any advice for the future?

Do what makes you happy in life. Don't worry about comparing yourself to what others are doing, what your job title is, or which college you go to. Life is short, so spend it doing what is most important to you.

What is your final message to the Class of 2013?

I know you will all go on to do great things and make a difference in this world. On your way there, be kind to one another, be proud of where you come from, and don't forget Middleboro!

Mrs. Kubik

What will you miss most about class of 2013?

The Class of 2013 put on the best dodge ball tournament EVER!! That night I thought... those seniors are all athletic, smart and funny. They are ready for college!

Any advice for the future?

The most important decision you make is who you choose to spend your life with.

What is your final message to the Class of 2013?

Live long and prosper. Be true to yourself.

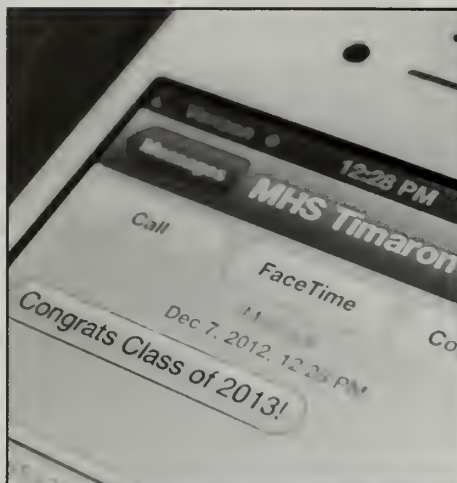

Mrs. Bradbury

What will you miss most about class of 2013?

The Class of 2013 has been one of the nicest classes I've had pleasure to teach over the past thirteen years. I've been lucky enough to watch this group grow as a class, as I had many of them in sophomore Biology and then again as Juniors and Seniors in various other science courses, and it has been amazing to watch you grow from inquisitive, thoughtful young men and woman into the confident, motivated, hardworking adults you are today. I will miss your smiling faces in the hallways and your energetic morning announcements. You have been great role models for our underclassmen and I hope they will follow your leadership and continue your work after you graduate.

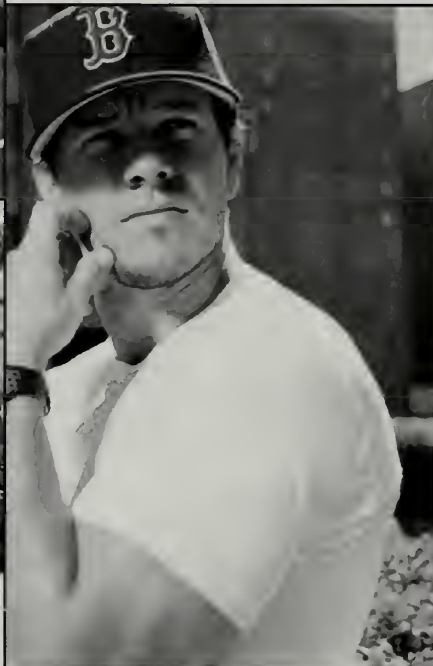

Any advice for the future?

Seek challenges and don't be afraid of hardwork. You can accomplish anything if you put your mind to. Never forget the lessons you've learned here at MHS nor the people that have helped you become who you are today. MHS will always be your "Home" I now encourage you to see the world beyond Middleboro and reach for the stars. The world is at your doorstep and it's time for you to choose your path. Congratulations and Good Luck!
